# Chairman's Message

Men will confess to treason, murder, false teeth or a wig but will never admit to a lack of humour. Prior to Xmas I was passing Crown Street Women's Hospital and noticed near the entrance in copper plate writing the word "Heirport". I refuse to admit to a lack of humour.

**Bouquets for 1977.** (a) To those members who attended the Annual General Meeting held on a wet winters night in June (b) to the 210 members who answered the "call to the flag" and paid their 1978 subscription in advance. Like "Abu Ben Adam" your names stand printed here before me in a book of gold (c) to the "Tattersall's Men" who attended with their wives and friends at the Xmas Cocktail Party and helped to make it such a wonderful night. Suffice to say "a good time was had by all" (d) to our Bookmaking Member B.A. (Arthur) Browning who every year presents each guest at our New Years Day race luncheon with a "Sportsman's Diary". This is a much sought after diary and is truly appreciated by the recipients. (e) to Brian O'Connor for his assistance each year to the Race Committee in choice of trophies for our race meeting. This assistance includes the "know how" plus the trophy at cost price. The above includes a very small percentage of our 4000 members, however as Dr. Samuel Johnson said "He who praises everybody praises nobody".

**Boos.** To those six members who during December each booked a telephone call on credit.

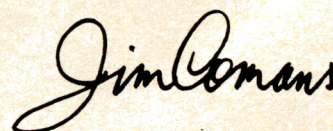

I quote verbatim from my message of September 1976 — The 'Red Telephone' pay as you talk was introduced into the Club for convenience of members. This month we had two credit accounts with the only expenditure on each being one telephone call. Result booking of two calls on credit cards by telephonist, checked by clerk in office, assembling for addressograph machine and postage. What a gross waste of time and labour — the above six members had no other expenditure on their account card. One wonders if they can differentiate between that part of the atomy which is used for thinking and that used for dancing. I am reluctant to criticize members, however this is a matter where "unreasonable silence is folly".

In my last message to you I stated that an important matter on the Committee agenda was to air condition the Club Room. Your Committee acted promptly and the air condition was installed and in full use by the 18th December, 1977. By this time the cabinet makers and the carpenters were on holidays. On their return in mid-January the cabinet work to enclose the units and harmonize with the decore of the Club Room will proceed forthwith. There were members who complained — that if the work was necessary why so late in the year? — I like members to complain, it keeps both the Committee and staff on their toes. After all "the wheel that squeaks the loudest is the one that gets the grease".

The answers to the complaints are (a) We suffered a loss of \$16,000 last year (b) There were 4 index wage increases during 1977 (c) We had already spent a considerable sum on repainting the interior of the Club, altering the decor of the Dining Room and general maintenance. (d) Our financial year commences on the 1st March and our half-yearly balance sheet was not available until near the end of October. The simple deduction is that if your Committee were prepared to incur a further expenditure of \$35,000 they were satisfied that their policy of a proper use and improvement of Club facilities was proving profitable. Your Committee has a simple philosophy — they do not believe in a fate that falls on men however they act; but they do believe in a fate that falls on them unless they act —

Always remember

"Time is the coin of your life. It is the only one you have and only you can determine how it will be spent. Be careful lest you let other people spend it for you".

Chairman Jim Comans, in excellent form, gave Club welcome to all. His run through the Years tracing the history of the Kindred Club Annual Luncheon was outstanding.

### **MOVIES BETTER THAN EVER!**

1977 was the biggest year for movies in Hollywood history. Domestic box office sales (US-Canada) for last year hit a block-busting \$2,325,000,000.

Star Wars, naturally accounted for nearly 10 percent of this phenomenal box-office boom.

Hang on to your hats, because 1978 is shaping up into an even bigger wham/bam/socko year.

There will be films to make you cry, scream, laugh, cheer, escape, sing and dance — especially sing and dance.

### **OVER HARLEM WAY**

It looks like there may be a rebirth of New York's famous nightclubs.

The fashionable Stork Club, Harlem's famous Cotton Club and the old Copacabana all opened with great celebrations.

It must have been a resounding success — 200 black ashtrays bearing the Stork club's famous name, vanished with the celebrities.

### **LOVE AFFAIR**

Liked Chairman Jim Comans opening shot at the Kindred Clubs Luncheon in the boardroom — "Making a speech is like a love affair — any fool can start it, but to end it requires considerable skill!"

### **PRODUCING A CHAMP!**

Peter Pring spent some 9,000 hours in the analysis of 500,000 horses — he has come up with this fact.

The most likely age for a champion to produce a champion is nine or ten years. 32 of 100 champions were in this age bracket.

# WINING, DINING and CLUB NOTES

Member M.A. Frawley entertained friends from New Guinea Mr & Mrs Brian Andrews it was a most pleasant part of their holiday.

\* \* \*

Neville O'Neill was surprised when John MacGowan phoned him from California — he said he was coming out specially to see his horse race. It was a long way to see it finish third in the Golden Goblet up Tamworth way — John is no stranger to Sydney as he operated the Californian Coffee Shop at Kings Cross — pre war.

\* \* \*

Just after the Melbourne Cup, in the Fourth Floor Dining Room member Hugh Gage was so pleased to drink champagne from the 1977 cup. It was celebrating the performance of Gold & Black — the Cup passed round the tables and was dry when it returned to Hugh. In the party was Mr & Mrs Trevor Davis, Mr & Mrs Jack Windrum, Mr & Mrs Clive Gresser and Mr & Mrs Eric Winslow. Hugh in his gentle way lifted his hand and steward John was there to have the cup frothing again . . . do it again next Cup Hugh.

\* \* \*

Michael Clarke along with Shore School mate Ross Langford celebrated their end of High School exams. Food was all important as they had spent a long time as boarders at Shore. Member Stuart Clarke made sure the boys enjoyed the food.

\* \* \*

To celebrate 58th wedding anniversary member Claude Brelaz and his wife Rene had a party in the dining room. Included were daughter Vanda, her husband Club member John Wright, grand daughter Laura and very old friends and another member of Tattersall's Mr Bob Combe and Mrs Combe.

\* \* \*

Jim McLardie entertained Surry

Shaeffer and his wife from Dallas, Texas. Also present was Neil Williams, TV and Radio entertainer and Colin Rule an architect from Perth.

\* \* \*

17 year old Amanda Bailye's birthday was a family fun night — father Alec and Mother Myrtle had no doubts about the popularity of their daughter — she never missed a dance.

\* \* \*

Young and old have fun on the fourth. 5 year old Natalie and member Peter Hine share the same birthday date. Peter's wife Nin (George Mousally's niece) and Natalie's brothers and sisters Martin, Jason, Giselle & Marisa. Their grandmother Rusheedy Cullen and Melbourne visitors Kevin and May Malouf celebrated the occasion with dinner at the Club the table was graced with a gift from Natalie's great uncle George Mousally — and what a great Tattersall's uncle too.

\* \* \*

Mr & Mrs James Tonkin organised a party for their daughter Emma Jane Tonkin on her 11th birthday recently.

Her two brothers Stephen, 14 years and Hamish 7 years attended with Emma on this, her first dinner at Dad's Club.

May and James Tonkin will move their new home at Turramurra next month after living over 2 years at Avoca, where James was Manager of 2GO Gosford. His recent appointment as Sales Director of Macquarie Broadcasting brings him back to the City and perhaps a more regular attendance at Tattersall's.

\* \* \*

2nd floor dining buffet is a very good place for quick service and a snack. You'll find the ever helpful Yvonne, Beryl, Pearl and Nellie buzzing round to make sure you get the best of attention. There's a band of helpers too — Veronica, Phyl,

Sandra, Donna, Nita and Elaine. The standard is maintained, some members use this section every day. There's always a steward there too in case members want a cool drink.

\* \* \*

Mr Robert and Daphne Dewey had a pleasant celebration with grand daughters Leilane and Melinda. They agreed Tattersall's dining is the happy way to celebrate.

\* \* \*

Film personality Noel Ford along with wife Betty celebrated their 30th wedding anniversary. Party included daughter Elizabeth and her husband Rodney Clarke plus Noel's youngest daughter Suzanne and her husband Michael Thorpe. Son David (who is in his final year law at Sydney University) made up the happy party.

\* \* \*

Robert Shawyer celebrated his 11th birthday at a dinner party given by his parents. Ted and Roslyn Shawyer along with his sister Sue and brother John.

Also enjoying the festive occasion was his grandfather, John Douglass and Mrs Bon Mayled — many members are giving a party to their family — its a great way to celebrate.

\* \* \*

No favouritism on the third floor. During the swimming of a 40 yards heat during the month, two competitors were disqualified going before their time, which resulted in a win for committee member Leigh Bowes, resulting in Leigh being docked a second off his handicap.

\* \* \*

Congratulations to our ardent supporters Brian O'Connor in winning three races with 'Radiant Ruler' and Ron Codner for his success with "The Head". Hope many more wins are on the way.

# HANDBALL NOTES

by Peter Ashby

## TATTERSALL'S PAIR TAKES DOUBLES SHIELD

This year's State Doubles Championship was not memorable for exciting play.

The smallest margin in any game was 6 points and that was registered in the first round in a match between the 1976 finalists. Tattersall's representatives Michael O'Dea and Bill Sellen were drawn to meet the Clovelly duo Ray Hopkins and Gary Stubbs in the opening match — a straight draw was made without the benefit of seedings.

O'Dea and Sellen, with that 31-25 win to their credit, were immediately installed as favourites, false favourites as later events proved.

Reg Sellwood and Bob Green (Clovelly) were beaten by Frank Caldwell and Don Hudson, Bondi Icebergs, 31-21.

Reg Chappell — Noel Vella, (Bondi) beat Bob McCarthy — George Inman (Coogee) reasonably easy but in the semi-final were opposed to brothers Ron and Neil Rogers, playing for Tattersall's. Ron and Neil had overcome

an Icebergian team, Kevin Smith and Jim Campbell, 31-19, to earn a semi final spot against the Chappell — Vella pairing.

Reg and Noel started determinedly but the great team work of the Rogers boys caused the Bondi team to take chances which caused their downfall and Ron and Neil went on to a 31-20 victory thus earning the right to play Don Hudson and Frank Caldwell in the final.

The final was a tense game without any movement in the gallery and although the Tattersall's pair took leads of 3 and 4 points on two occasions the Bondi team were able to draw level each time earning points with some great shots. Frank's serves deep into the forehand court appeared unplayable but both Ron and Neil were able to return shots which seemed like certain winners. Don Hudson favoured some centre line play that caused uncertain play in the Tattersall's team but the regularity of return eventually caused the Bondi team to overhit and thus concede victory to Ron and Neil by 31 points to 23.

It was a great win, well deserved by two great handballers.

In a play-off for third position the early favourites Michael O'Dea — Bill

Sellen were defeated by Reg Chappell — Noel Vella, 31-18.

At the presentation function during the afternoon the donor of the shield, Michael O'Dea, made the presentation to the winners.

This championship commenced in 1973 when Michael gave the shield for annual competition and has now been won three times by Clovelly and once by Coogee before this year's victory by Tattersall's.

## Club Championship

The final of Tattersall's Club 'A' Grade Championship was a repeat of the Tattersall's Plate final with adversaries Michael O'Dea and Ron Rogers facing each other.

Mike won in two straight sets, the first taking 12 minutes and the second requiring twice as long following many long rallies in the opening two service sessions.

It was final type handball with Michael gaining the advantage of an early lead and never once surrendering it.

## Variable Handicap

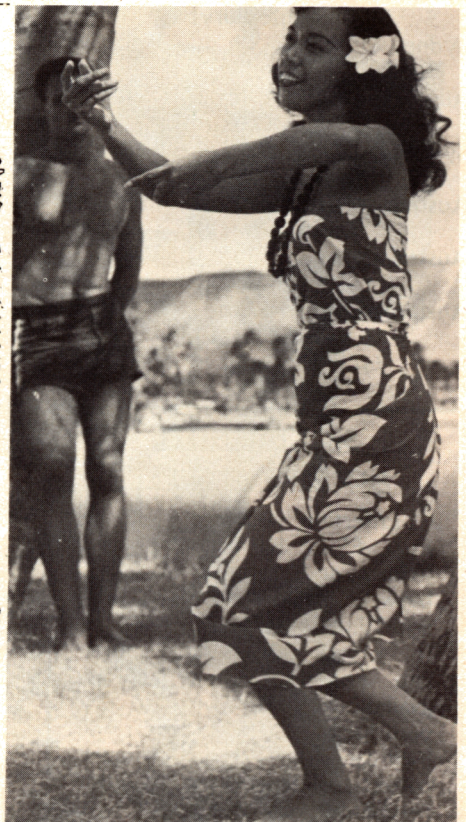

This competition is gaining in popularity and has produced keen competition in the first series and

# 13th TURF BOWLER'S CARNIVAL

by Fuzz Porter

The 13th Annual Turf Bowling Carnival was held in Sydney with our Club as hosts. Visitors and their wives from Brisbane, Adelaide, Melbourne (2 clubs), Canberra, Newcastle and Sydney City Tattersall's joined us on 19th February and stayed on for the Carnival. Games were played on 3 days. A lot of the bowlers attended the race meeting at Randwick on the free day.

Matches were played at Double Bay, Coogee with a return at Double Bay on the final day. The visitors were welcomed at Tattersall's Club on their arrival on 19th February. As expected there was a big entry of Tattersall's players who participated in the Carnival. This is very essential for over the years it has been proved that the success of these Carnivals is closely bound up and strong supports from the members of the host club. City Tattersall's (holders of the shield) were pre-post favourites seeing that they were advantaged by being strongly represented with the matches being played in Sydney.

The Club wound up the year with the Xmas Day being held at Rose Bay Club on 15th December. President Eric Lane welcomed 30 players to his Club. This fixture gives us the opportunity to return some of the hospitality shown us during the year

by the City, Rose Bay and Double Bay Clubs. We were happy to have with us President of these Clubs and also Merv Gamble of City Tattersall's and two of his members.

Everyone voted the day a success and even the weather man smiled on us as the threatened rain held off until the 30 players were indoors around the festive board.

It is pleasing to have Peter McGrath out of hospital after a successful bout with the surgeons. Everyone is glad to know he is again on deck, no one more so than yours truly — he was certainly missed.

Members please note, Jack Freeman (President Newcastle Tattersall's Bowlers) is once more on the warpath and expecting to again cross swords with Tattersall's at Gosford. Those who have made the journey to the Central Coast and played at the Gosford Club know what a wonderful fixture this is. Gosford's hospitality is second to none so I feel sure this match will be well attended. The projected game will be in April. The exact date is in process of being finalised. Maybe its a little late but I would like to extend to all Tattersall's Club and especially to members of the Bowling Club, the best wishes for a bright prosperous 1978.

*HANDBALL continued from Page 8.*

winners of each series will be matched to find the handicap "champion" or the "Champion" handicapper in Tattersall's Club, over a 12 months period.

John Barnes, the brain behind this exacting competition, promises rule changes necessary for maintaining fair conditions for all players.

This type of handicapping competition can only produce finalists worthy of the classification.

## Annual Awards

The long awaited publication of the Annual Handball Awards for 1977, delayed because of bush fires and anti-uranium protest marches and far too many practise parties for the festive season, has at last been promulgated.

The judges have in fact considered making awards for new classifications but one they could not evade was for the BEST AND FAIREST.

No serious challenge to the award, for the third consecutive year, of this coveted title, to Bruce Upcroft, was noted by the judges during the preceding term. Irreproachably correct behaviour of Bruce at all times on, near or approaching the courts, has been so outstanding that the judges in consideration of his setting such a high standard of example for others to follow have allowed him to hold the trophy in perpetuity.

## TATTERSALL'S CLUB Race Day Meeting

*Secretary General Manager Maj-Gen. Jim Norrie, Chairman Jim Comans and A.J.C. Alec Rofe*

It was a great Tattersall's Club day as the Club group. On the racing side it was pleasing to Malcolm Johnston, who had not ridden in with another display of bold, confident riding.

Sir Tristian owns Gold Steel and also Hot D.

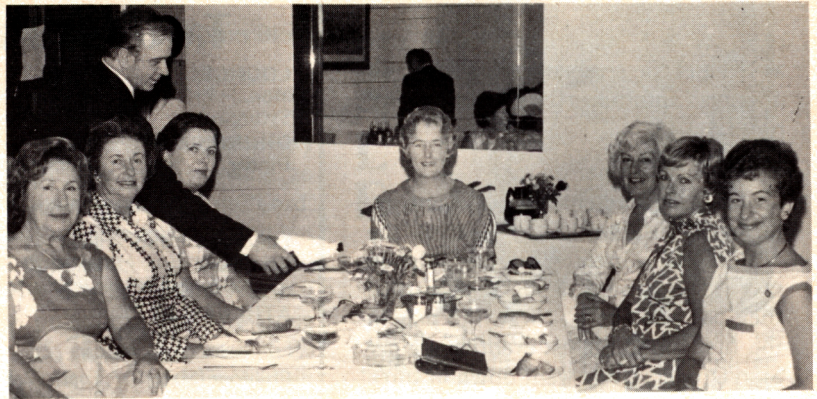

There is little doubt that Johnston has been by Tom Smith who paid \$22,000 for the Show minor placings, has returned his owners \$26,845.

But there were anxious moments before Cold Steel became a winner in strange surroundings for only one night but the next morning he was found to be useless as a racing proposition.

"Tom Smith had bought Cold Steel for Sir Tristian Antico. After the sale of Cold Steel. It should have been 'cold steal'," part-owner Mr. Percy Sykes explained. Cold Steel won Tattersall's Cup when he was able to outspurt his four

Bruce will no doubt cherish this award and the crushed handball will be displayed prominently in his trophy room.

### Unluckiest Competitor

The omnipresent judges went no farther than the first round of the 1977 "D" Grade Championship in making this award. Doug Salier earned their pat when he was drawn to play in the first round against eventual winner Stan Droder. Doug went down in three very close sets to allow stan to cake walk to a final victory.

### Trophy Donor Award

The judges, on hearing of Tony Salier's offer of a trophy for the John Barne's variable handicap event thought of making an Anecdote Award since the offer was contingent on a certain player's victory. Tony, however, has made the awards list for a very fine contribution to the trophy list.

### Handballing Family Award

The first family that springs to mind is the ore bearing the title of Salier. Doug defeated in a close game by the eventual winner in the D Grade Championship and Tony and Gordon battling out the C Grade to the finals stage.

But then what of the Rogers' clan with three players in A Grade! Famous father Norm, son Ron, ex-Australian Surf Champion and prolific winner of Tattersall's Plate and son Neil, ex-Olympian swimmer and currently making his presence felt in the swim coaching field with Ron and Neil holders of the NSW Doubles Championship.

The judges begged to be allowed to stand over their decision because they were staggered at what might occur in the future if our Club became open to membership of the fairer sex.

### Assiduity Award

When the judges deliberated on the close attention and diligence displayed by John Barnes in his approach to the onerous position of Assistant Secretary they considered no further examination of nominees was necessary.

John is the driving force behind the John Barnes Handicap Doubles and the think-tank promoting the highly successful variable handicap competition.

## A "JOYOUS" TREBLE

Honours of the November Point Score was the meritorious win of veteran 'Lord' Ted Joye with a total of 33 points. From being our longest marker Ted has whittled his handicap (and also his corporation) from 50 seconds to 35 and feels sure he can get down to 32. It is really an amazing performance and well worthy of the very generous round of applause which was handed out.

Club Champion Doug Ferris was runner up on 27 points with George McRobert a further 3 points away.

December Point Score winner was that delightful personality architect and skier Ken Finn with a total of 23 points, up and coming unlucky swimmer Chris Gunson second on 22 with John Connolly and David Dobbin dead heating for 3rd place on 21½, a very close and exciting contest, as only 1½ points separated the first four contestants.

Coincidental Ken had not won a monthly since December 1973 and only 1½ points separated the first four places on that occasion. History

by Sam Block

certainly repeats itself.

Ian Joye has been conspicuous by his absence in the events owing to lunch time appointments, but 'Lord' Ted is a worthy representative and has blitzed his opponents and raced away in the "Silver Sharpe" Trophy with a score of 88 points, followed by Doug Ferris on 65, John Nicholas 61½ followed by our T.V. personality Bill Orme 61, George McRobert 60, Stuart McAllum 59, David Castle 58, David Bruce 58 and Gordon Salier 57. As the final result is five and half months away, it is much too early predicting the winner but personally I do like front runners.

The Tom Powell trophy has Ted Joye leading with 6½ wins from George McRobert 6, John Nicholas 5½, Stuart McAllum 5, Doug Ferris 4½, Peter Derwent 4, John Barker 4, Keith Cross 3½, David Castle and John Keating 3.

As usual the highlight of December was the Christmas Scramble. Four teams sixteen a piece lined up at the barrier resulting in a glorious win for

## CELEBRATIONS FOR FIRST ETHNIC LIONS CLUB IN AUSTRALIA

Tattersall's was the venue for the Charter Night of the Sydney Korean Lions Club, November 1977.

The Korean Lions Club is the first ethnic Lions Club to be formed in Australia, its charter members basing their membership on Korean immigrants who had previously been members of Lions Clubs in Korea.

A number of international visitors attended the dinner, as also did diplomatic and state representatives. Also present was one of the International Board members of Lions International, Mr. Joseph Wroblewski, who presented the charter to the club president, Mr. Max Shin.

The room was decorated in Korean fashion and the evening, which was bi-lingual with regards to the speeches, ended with some typical Korean entertainment from Koreans resident in Sydney.

*Colourful entertainment was a feature of the night.*

### TATTERSALL'S SKI CLUB

by Ken Finn

Although it lightly snowed on the Southern Alps over the Christmas period and temperatures were down to minus 5°, we don't know of many members who experienced this rather rare white Christmas.

Most thoughts were for the beach scene or for taking it easy at home in temperatures on the top end of the thermometer, and watching cricket or tennis. It isn't surprising that we don't have much to talk about in this issue of the magazine. There are however some interesting murmers involving the new plane fares to the U.S.A. and Europe with package deals to various ski resorts. A bulletin is being prepared for information to members on this year's possibilities and will be forwarded soon.

# Epicureans

by Peter Ashby

## A REAL DANCING NIGHT

The blithe spirit was evident at the Tattersall's Epicureans 1977 wind up function, a Christmas dinner dance in the fourth floor dining room.

This function successfully furnished the supreme touch to a busy year of social gatherings that included the memorable night aboard the "Cadman", visits to the theatre and nightly visits to various parts of the globe — will you ever forget "Athol Brose"!

It was quite a year and so was the dinner dance quite a night.

Cocktails, champas or have what you fancy were the starters provided in the lounge after which I managed to float into the dining room quite effortlessly with the other joyful, sparkling, merry and gladsome revellers.

Donna and the Girls played the right music and they struck an immediate responsive cord. It is a daunting task to beat Peg and Neville Amy to the dance floor but on this occasion they won in a photo finish from a big field that included Narelle and Bill Sellen, Dorothy and Ernie Bacon and Linda and Wal Tyler.

The turkey and ham dinner more than sustained the elegant eager dancers who quite obviously enjoyed this annual epicurean festivity.

Amanda and Allan Hickey, Ruth and Shaun Gibb, Robyn and Brian Nagel and Judy and Peter Court all agreed it had been a night not to miss in paradisiac surroundings.

*POOL SPLASHES continued from Page 13.*

Doug Ferris' Scorpions' followed closely by Harry Turner's 'Redbacks' and Bryan Mortensen's 'Caterpillars', whilst Norm Rogers 'Bunnies' had to contest the consolation stakes and the result of the boiling cauldron which is rather tough on the long markers was Neville Menlove from Keith Cross with Bill Kendall gaining third place.

The bottles, boxes of perfumes, soaps, golf balls etc. were tastefully arrayed and every starter shared in the 'goodies'. The Swimming Club Committee wish to thank the many donors amongst whom were Morry Anderson, Lionel Abrahams, Len Burke, Albert Bridge, Ron Codner, David G. Cohen, George Gayleard, Sol

Green, Bill Hannan, Reg Hutchinson, Mal Holecek, Stan Hodgson, Bill Lander, Bill McHugh, Bruce McHugh, Tony McSweeney, Ted Martin, Jack O'Neill, Leo O'Sullivan, Dorian Ritterman, John Rogan, Arthur Sing, Mel Watson and Gerry Wells.

Our most grateful thanks are due to John Waterhouse, Jnr. for his handsome "Faberge" contribution and Don McWilliam for his generous wine selection.

Please to welcome back Bruce Watson who has been doing a stint in Papua New Guinea for the past three years.

Hard punching and up and coming David Dobbins off again overseas, lovely Christine will be awaiting your return so hurry back.
